▶ On Fifth Third day today, I am supporting Connecting Kids to Meals, a local organization that provides free meals to local kids experiencing hunger. Providing healthy food to young people removes this stress from their lives so they can get back to being kids.

As 1-in-4 kids in our local area experiences hunger, this work is critical. Please join me in supporting Connecting Kids to Meals today at www.connectingkidstomeals.org/take-action.

▶ Did you know 1-in-4 kids in our local area experience hunger? We can't let that continue in our community.

Connecting Kids to Meals is meeting this need by providing 850,000 meals each year to kids via community partnerships. I am supporting this work today, and I invite you to join me by making a donation or getting involved at www.connectingkidstomeals.org/take-action.
